Dining Bench

The stately Antillo Dining Bench combines classic legs and wingback style sides to deliver contemporary glamour. The crisscrossed under frame and piping are standard design features that denote high style. With three width styles to choose from, everyone will be accommodated sitting at the table in the Antillo Dining Bench.

Model: ANDB31

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Multiple Widths

Available in 3 widths – 48", 66" and 80".

Optional without Piping

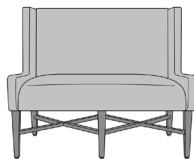

Available without piping and the feature is optional.

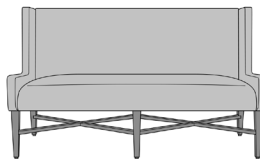

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
