Bench

No Seat Cushion

Designed to Last® outdoor; this is the cushion less version of Kwalu's Arezzo Outdoor Collection Bench. The slight curve in the side seat rails provide for a more comfortable setting for the seat slats and an ultimately more comfortable seat. Sized for two and a smaller footprint than a traditional love seat, the Arezzo Bench is easily integrated in any outdoor space including a healing garden, along a walking path or on a patio or lanai. Outdoor spaces nurture mind, body and spirit. Step outside. Welcome to Arezzo Outdoor.
