## Dining

The Bellasari dining chair is graceful and refined featuring custom curved arms set against a framed oval upholstered back. The piping detailing, found on the border of the upholstered back and seat cushion, is a sophisticated style point.

Model: BSR111

### Features

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

#### Optional Casters

Casters available for all four legs and are optional.

#### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
