camarina

Chair

A gently curved back and the fluidity of the arms and legs give the Camarina chair its great style and universal appeal. Piping along the chair base is standard. Camarina's peek-a-boo back opening prevents buildup of debris and facilitates simple housekeeping.

Model: CAM1

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Optional Casters

Optional casters available on front legs only.

Optional Cleanout

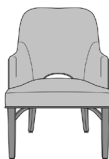

Optional clean out may be added to prevent buildup of debris.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
