Café

The seat of the curvy Caravino Café chair extends slightly in the front of the chair to add comfort behind your knees. Straight front legs curve into the arms which extend to the arched back. Caravino's back legs stretch to form a curvaceous bridge to the padded back decorated in elegant piping. This is the right chair for a café or bistro setting.

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
