Bariatric

Redefine comfort and style for every dining, lounge, lobby or waiting room guest with Kwalu's unprecedented selection of Bariatric seating. Every bariatric seating model incorporates Kwalu's Designed to Last® engineering and endures the most rigorous testing standards to provide supreme strength and safety for each user.

Model: CRB112J0

Features

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Weight Capacity
Carrara Bariatric chairs are rated to 500 lbs weight capacity.

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

10 Year Warranty
We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

Easy to Clean
Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
