Redefining Clean Design®

carrara

Dining

The Carrara dining chair is suitable at the dining table or desk. The gently sloping arms promote easy ingress and egress. The multiple fabric zones ensure that this chair is as eye-catching as it is comfortable. Select either the full-upholstered or half-upholstered back.

Model: CR112

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Optional Back Style

Choose from 2 optional back styles – Short Back or Tall Back.

Optional Upholstery Style

Choose from 2 optional upholstery styles – Showframe or Fully Wrapped.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
