## Modular

Providing an accommodating level of comfort Kwalu's Casale Modular Collection easily adapts to your space. Multiple configurations are achieved by combining the lounge chairs, love seats and corner wedge units in the collection, either free standing or connected, with or without backs. The bench and wedge chairs are available with solid surfaces tops. Other optional features include floating arms and black or white power modules on selected units.

Units sold separately.

## Features

### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

### Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion.

### Number of Seats

Choose from 2 seat styles – Lounge Chair and Love Seat.

### Optional Connecting Arm

Left, Right, and Dual Connecting Arms are available. Brackets are included.

### Optional without Back

Available with or without Back.

### Optional Corian®/ Hanex®/ Krion® Top

The Lounge Bench and Lounge Inside Wedge Bench can be outfitted with optional 0.5" solid surface Corian®/Hanex®/Krion® tops.

### Optional Power Module

Optional round recessed power module, featuring power plugs, USB Type A and USB Type C ports, is available. The module finish, offered in black or white, is positioned in the left or right side of the front panel of the Lounge and Love Seat Chairs.

### Multiple Configurations
