casalino

Chair

Kwalu's Casalino chair features graceful arms and curvaceous back legs. The lavish seat cushion and the chair's back, which is bordered by an arched frame, feature piping as a design detail. Optional decorative nail head trim is available around the seat. Casters are also optional and only available on the front legs.

Model: CGC110

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Optional Casters

Optional casters available on front legs only.

Optional Nail Head Trim

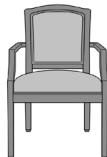

Optional nail head trim only available around the seat cushion.

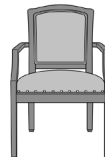

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
