caterina

Easy Access

Thoughtfully designed with a higher seat, the Caterina Easy Access chair allows you to sit without bending at the hip. Front, back and side stretchers provide better support for the user. Built with safety in mind, this chair has non-skid adjustable glides on the front and back legs. An easy to use foot rest is attached to the top of the front stretcher. The Caterina Easy Access is ideal for post hip surgery patients or those suffering from hip and knee arthritis.

Model: CTEEA21

Features

Wallsaver

Wallsaver back legs help keep walls in pristine condition.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Seat Height

Higher seat height designed to enable sitting without bending at the hip.

Easy to Use Footrest

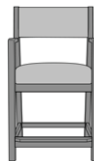

A non-slip foot rest is attached to the top of the front stretcher.

Non-skid Glides

Non-skid glides are on all legs; adjustable on the front.
