## Easy Access

Thoughtfully designed with a higher seat, the Caterina Easy Access chair allows you to sit without bending at the hip. Front, back and side stretchers provide better support for the user. Built with safety in mind, this chair has non-skid adjustable glides on the front and back legs. An easy to use foot rest is attached to the top of the front stretcher. The Caterina Easy Access is ideal for post hip surgery patients or those suffering from hip and knee arthritis.
