Caterina

Multiple

Caterina Multiple seating units by Kwalu offer a comfortable and versatile seating solution for hospital lobbies and medical waiting areas. These units come in various configurations, including two or three seats, connecting guest and bariatric chairs, in upholstered or slat-back styles. They are designed to accommodate both patients and their families, ensuring a shared comfortable experience. Add optional Caterina Linking tables for convenience.

Model: CTEMT2GGG

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Wallsaver

Wallsaver back legs help keep walls in pristine condition.

Number of Seats

Each Caterina multiple is made up of either 2 or 3 seats; combining guest and bariatric sizes.

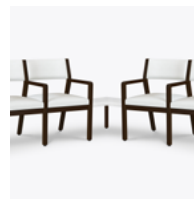

Optional Back Style

Choose from 2 optional back styles – Slat Back or Upholstered Back.

Seat Cushion is Field Replaceable

The seat cushion can be replaced in the field.

Optional Linking Tables

Optional Center and Corner Linking tables are available to provide stationary space between the chairs and fit your space.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
