Bariatric Guest Upholstered Back

The Caterina Bariatric Guest Upholstered Back chair is a perfect marriage of aesthetics and durability. Built for maximum stability and strength with the addition of solid steel in all joints, this thoughtfully designed chair accommodates generous proportions. Available as a slat back and a short upholstered back, it features a spacious removable seat, an angled back and contemporary arms to facilitate ingress and egress.

Model: CTEB21

Features

Nightingale Gold
Our Caterina Guest Chairs were awarded Nightingale Gold for Seating: Guest / Lounge.

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Wallsaver
Wallsaver back legs help keep walls in pristine condition.

Weight Capacity
Caterina bariatric chairs are rated to 500 lbs weight capacity.

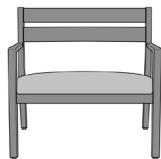

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

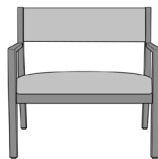

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.
