caterina

Dining – Slat Back

The Caterina Dining chair is perfect for casual dining at the dinner table or in a café or bistro environment. These thoughtfully designed chairs feature clean lines; a spacious removable seat, an angled back and angled contemporary arms to facilitate ingress and egress. Caterina Dining is available as a slat back and a short upholstered back. Optional front casters are available but the chair must have side stretchers.

Model: CTED11

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Seat Cushion is Field Replaceable

The seat cushion can be replaced in the field.

Optional Back Style

Choose from 2 optional back styles – Slat Back or Upholstered Back.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
