## Dining – Slat Back

The Caterina Dining chair is perfect for casual dining at the dinner table or in a café or bistro environment. These thoughtfully designed chairs feature clean lines; a spacious removable seat, an angled back and angled contemporary arms to facilitate ingress and egress. Caterina Dining is available as a slat back and a short upholstered back. Optional front casters are available but the chair must have side stretchers.

Model: CTED11

### Features

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

#### Optional Back Style

Choose from 2 optional back styles – Slat Back or Upholstered Back.

#### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

#### Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
