Bench

The Diamante Bench seems to create an optical and physical illusion but this bench is very real and a beauty. The rounded seat cushion fits perfectly into the curved base perched on a rectangular rail. This is not your typical firm bench seating as the cushion of the Diamante is thick and has springs inside which make for a much more comfortable seat.

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Optional Corian®/ Hanex®/Krion® Arm Caps

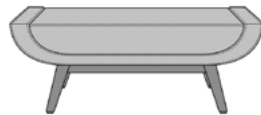

Solid surface arm caps are available and optional.

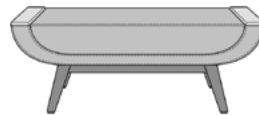

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
