enna

Dining

The Enna dining chair is an intriguing blend of grace and sophistication. Gently arched arms promote easy ingress and egress while additional comfort is provided by the upholstered back and seat. The beautifully tapered legs and optional crisscrossed under frame denote high style. Optional back X insert also available.

Model: END111I

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Optional Decorative Back

Decorative back insert is optional.

Optional X Underframe

X Underframe is optional.

Optional Casters

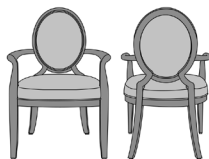

Optional casters available on front legs only.

10 year
