## Bedside

Built with additional reinforcement and a completely tamper-proof design, the health and safety of your patients are the most important features of the Fairview Behavioral Health collection. The Fairview Bedside is steel-reinforced with two open fixed shelves against a solid panel back and features edge detailing on the top and front.

Model: FWOBS

### Features

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Bullnose Edging Finish

For safety, 3/8" bullnose shape edge banding can be found on top and front side edges.

#### Wall Mount Hardware

A standard feature with 2 toggle bolts provided for mounting on sheet rock wall; for concrete walls the customer provides the proper mounting hardware.

#### Optional Floor Mount

Floor mounting is optional. A set of 4 brackets and screws to attach to the product are provided; the customer would have to buy additional screws to attach the bracket to the floor.

#### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
