Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Bullnose Edging Finish

For safety, 3/8" bullnose shape edge banding can be found on top and front side edges.

Floor Mount

Floor mounting is standard. A set of 4 brackets and screws to attach to the product are provided; the customer would have to buy additional screws to attach the bracket to the floor.

Wall Mount Hardware

This is an optional feature with 2 toggle bolts provided for mounting on sheet rock wall; for concrete walls the customer provides the proper mounting hardware.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
