Dining

The Gela Dining chair by Kwalu is a cozy and supportive seating option. The front legs of the Gela, the arms and the curved back all combine in this beautiful design. The knuckle of the leg creates a unique transition from a square front aesthetic seamlessly ending in the rounded top of the back. The back legs are tapered and angled. Optional casters are available with models that have the curved side stretchers. Gela is available with or without a handgrip.

Concealed cleanout eliminates a debris build-up behind the seat cushion.

**Optional Casters**  
Optional casters available on front legs only with side stretchers.
