Bar Stool

The Levanzo Counter Height and Bar stools elevate the timeless style and distinctively graceful arm of the dining chair model. Stretchers all around are the perfect detail to the classic show frame back, the lavish seat cushion, framed in piping, and the slight curve of the back legs.

Model: LST2A

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Visible Cleanout

Cleanout prevents buildup of debris and provides for easy maintenance.
