## Dining

Levanzo is great design and timeless style. This chair features graceful arms, classic show frame back, a lavish seat cushion framed in piping and the flirtatious curve of the back legs. A back with handgrip is optional. An optional decorative back insert is available on chairs without handgrips. If selected, the back will have single inset upholstery. Choose an X-underframe and the chair is taken to the next level.

Model: LE112
