Dining

Dining is elegant in the Marino. The back shape ensures a comfortable dining experience two ways. The back height is high enough to create a supportive seat. The curvature of the back into the arms forms a comforting hold of the body. Piping is on the base, the outside arms and along the back. This chair has a concealed cleanout.

Model: MNO111A

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion

Optional without Piping

Available without piping and the feature is optional.

Optional Casters

Optional casters available on front legs only with side stretchers.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
