Lounge

Kwalu's Marsala Lounge is the definition of conversation piece. This is a gem of a lounge chair with arms that create the back. Marsala is a single lounge chair that also is available to be combined with another. Place two together and the users can talk to each other face to face. Add the removable table and they can have a snack, a drink, or play a game. The tapered legs are Kwalu Classic material. The pillow of the Marsala Lounge is attached but is easily removed for cleaning.
