martello

Dining

Kwalu's Martello dining is where rich traditional meets transitional design. The sculpted back features broad shoulders with sleek and sophisticated contours. Meanwhile, Martello's fluid arms are engineered for easy ingress and egress. Piping adds the finishing touch to this truly elegant chair.

Model: MTL110

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Optional Casters

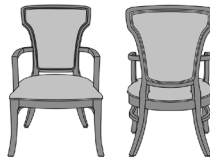

Optional casters available on front legs only.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
