Kwalu's Modena Flex Back chair provides slight movement in the back from the flex frame that connects from the seat of the chair to the back. The seat, arms and legs remain stationary to deliver ergonomic support as the user changes position during waiting periods. The unique tapered arms are made of Kwalu's proprietary material. The design of the arm design has a faceted edge. The chair also features modern wallsaver back legs to keep your walls in pristine condition.

Model: MDAG11
24W 27D 35H 20SW 18.5SD 19SH 26AH

Features

Faceted-Edge Frame Detailing
The outside face of the chair frame showcases faceted-edge detailing reminiscent of hand-crafted wood workmanship.

Flex Back
Frame enables a modest amount of flexibility in the back only; seat, arms and legs remain stationary.

Wallsaver
Wallsaver back legs help keep walls in pristine condition.

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Visible Cleanout
Cleanout is incorporated behind the seat cushion to prevent buildup of debris while providing a clean look.

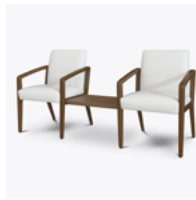

Back Cushion and Seat Cushion are Field Replaceable
Both the back cushion and the seat cushion can be replaced in the field.

Optional Closed Arm Panels
Available with or without upholstered arm panels.

Optional Tall Back Cushion
For increased comfort and support in waiting or reception areas, choose the optional tall back cushion.

Optional Linking Tables
Optional Center Linking tables are available to provide stationary space between the chairs and fit your space.

Brake Under Load Casters
Optional Brake Under Load Casters lock when a person sits on the chair, and unlock when they're not for easy movement of the chair.
