Multiple

The Modena Multiple – with Flex Back, like all Kwalu group seating options, make it possible for friends and family to sit together comfortably in lobbies, lounges and reception areas or in emergency waiting rooms. Extremely versatile, this seating option allows for various configurations of three seats combining guest and bariatric sizes. The back of each seat in the Multiple provides slight movement in the back from the flex frame that connects the seat of the chair to the back. The seat, arms and legs remain stationary to deliver ergonomic support as the user changes position during waiting periods.

Features

Faceted-Edge Frame Detailing

The outside face of the chair frame showcases faceted-edge detailing reminiscent of hand-crafted wood workmanship.

Flex Back

Frame enables a modest amount of flexibility in the back only; seat, arms and legs remain stationary.

Wallsaver

Wallsaver back legs help keep walls in pristine condition.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Number of Seats

Each Modena multiple is made up of 3 seats; combining guest and bariatric models.

Visible Cleanout

Cleanout is incorporated behind the seat cushion to prevent buildup of debris while providing a clean look.

Optional Closed Arm Panels

Available with or without upholstered arm panels.

Socially Distant Configurations

Choose a solid surface table (20W or 30W) in the middle position to assist with physical distancing.
