Patient Ottoman

Here is an ottoman with all the right angles. The Modena Patient Ottoman is loaded with style, featuring a curved and angled front shape and tasteful French side seams. The back of the cushion protrudes and angles matching the look of the seats of the Modena collection. The angles of this unique ottoman allow it to be stored easily under any chair in the collection.

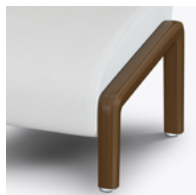

Model: MDAOTT11
(Also displayed with Modena Patient. Not included.)

Features

Faceted-Edge Frame Detailing

The outside face of the chair frame showcases faceted-edge detailing reminiscent of hand-crafted wood workmanship.

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Coordinates with Patient Chair

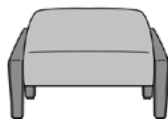

The ottoman is designed to coordinate with and easily store under the Modena Patient chair.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
