Bariatric

Kwalu's Montedoro Bariatric chair is plush, angular, strong and inviting. The angled arms form the cylinder front legs which frame the sumptuous seat cushion. Optional piping is available along the back of the chair and on the seat base. The striking Montedoro Bariatric is rated to 525lbs weight capacity and is easily integrated into any common area setting.

Model: MTDB10

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Weight Capacity

The Montedoro Bariatric chair is rated to 525 lbs weight capacity.

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion

Optional Piping

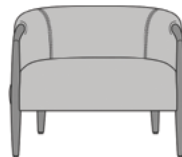

Available with or without optional piping on the back and along the base.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
