Bedside

Kwalu's New York Collection is designed exclusively for the healthcare market. The bedside is staged on a platform giving it the perfect height for the patient's use, in or out of bed. Its height and edging protect the finish to keep the unit in pristine condition. Other standard features include a ventilation grommet at the back of the unit, locking casters on the front and non-locking casters on the rear. Choose a top of Corian material or Kwalu. Optional drawer liners are removable for easy cleaning.

Model: NYBS30CT

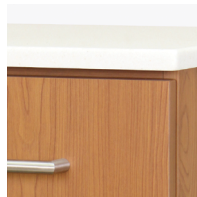

Features

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish
Kwalu's solid surface ($\frac{1}{8}$ " thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

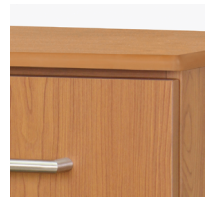

Corian® Top
Available with a 1" Corian® top.

Bumper Protection
Bumper protection keeps unit in pristine condition and protects unit from bumps and scuffs.

Optional Drawer Liner
Choose specially crafted optional removable and cleanable drawer liners.

Optional Kwalu Top
Available with a $\frac{3}{4}$ " top made of Kwalu's proprietary material.
