### Features

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

#### Coordinates with other Benches

The bench can be grouped or ganged with others to create a circle or wave-like effect in lobbies and other waiting spaces.

#### Optional Ganging Brackets

Optional Ganging Brackets can be requested to group or gang two or more Palma Benches.
