### Features

**Nightingale Award**  
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

**Durable Finish**  
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

**Pull-Out Mechanism**  
Advanced mechanism provides smooth and effortless functionality.

**Easy to Clean**  
Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
