Features

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Pull-Out Mechanism
Advanced mechanism provides smooth and effortless functionality.

Easy to Clean
Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
