Lounge

The design of a healthy human upper torso is like an inverted triangle; similar to the design of Kwalu's Riesi Lounge. At the top of the triangle is the added cushioning on the back pad providing solid support. The arms are wide enough to create side embraces and the seat creates a thick cushioned foundation. The triangular shaped of the Riesi collection is ergonomically ideal for very comfortable sitting.

Model: RIES1111

## Features

### Wallsaver

Wallsaver back legs help keep walls in pristine condition.

### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

### Visible Cleanout

Clean out prevents buildup of debris and provides for easy maintenance.

### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

## Statement of Line

### RIES1111
