Café

Inspired by mid-century design, the Sciara Café chair features a curvaceous back that create cascading arms. The chair has a concealed cleanout to eliminate a build-up of debris, a feature that has value in café or bistro environments. The Sciara Café is a standout on Kwalu's modern tapered legs.

Features

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Concealed Cleanout
Concealed cleanout eliminates a debris build-up behind the seat cushion.

Optional Cutout on Back
An optional cutout on back is available to prevent buildup of debris and provide for easy maintenance.

Optional Casters
Optional casters available on front legs only with side stretchers. If this option is selected, the legs will be thicker for additional support.

Optional Back Handle
A back handle is available to assist in moving the chair and it is optional.
