Counter Stool

Inspired by mid-century design, the Sciara Counter Stool is a standout in a relaxed environment where people gather for a light meal, a drink and conversation. It features a curvaceous back and cascading arms. The stool has a concealed cleanout to eliminate a build-up of debris. It is a comfortable lounge like seat on Kwalu's modern tapered legs. The height of this stool assures a perfect fit at an eat-in kitchen counter.

Model: SCIASTLC111

Concealed cleanout eliminates a debris build-up behind the seat cushion.

Counter and bar heights available.

Optional Back Handle

A back handle is available to assist in moving the chair and it is optional.
