## Lounge

The Solarino is a magnificent wing back lounge chair with a sweeping high back, in double nail head trim that extends from the arms up to the wings and along the top of the back. This lounge chair features seam detailing inside the arms and on the inside and outside of the back. Piping is on the base and is a standard feature.

Model: SOL111

### Features

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Steel Reinforced

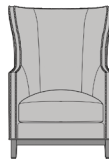

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

#### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
