## Lounge

The Teramo Lounge Collection is tailored design featuring a distinctive angled back, soft cushioned seats, and enveloping arms. The generous proportions of this collection make it suitable for a range of wait and sub-wait spaces. The collection includes a lounge chair, a wider version of the lounge chair, ideal for a parent and small child to sit together, a love seat and a sofa. For easy maintenance, Teramo has a removable seat deck. The back is available with or without decorative quilted stitching and button detailing. The legs and single rail base are made of easily cleanable and exceptionally durable Kwalu Classic material.
