terrasini

Bariatric

The Terrasini Bariatric chair blends effortlessly with its standard size lounge counterpart providing a beautiful seating option supporting weight of up to 500 pounds. Two optional heights are available on this fully upholstered versatile occasional chair. It has a wider seat, tapered arms and legs. Available with or without optional elegant piping on the outer arms, back and base. Arm caps are available and are optional. If arm caps are selected, piping is removed on the arms only.

Model: TERB01

Features

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Weight Capacity
The Terrasini Bariatric is rated to 500 lbs weight capacity.

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Concealed Cleanout
Concealed cleanout eliminates a debris build-up behind the seat cushion.

Optional with Piping
Available with optional piping on the arms, back and base.

Optional Kwalu Arms
Optional Kwalu arm caps are available; piping on arms is removed if arm caps are selected.

Optional Corian®/ Hanex®/Krion® Arm Caps
Formed and fitted solid surface arm caps are available and optional.

Optional Back Height
Choose from two optional back heights – 34" and 40.5"
