## Bariatric

The Terrasini Bariatric chair blends effortlessly with its standard size lounge counterpart providing a beautiful seating option supporting weight of up to 500 pounds. This fully-upholstered versatile occasional chair has a wider seat, tapered arms and front and back legs. Available with or without optional elegant piping on the outer arms, back and base.

Model: TERB101

### Features

**Nightingale Award**  
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

**Weight Capacity**  
The Terrasini Bariatric is rated to 500 lbs weight capacity.

**Steel Reinforced**  
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

**Concealed Cleanout**  
Concealed cleanout eliminates a debris build-up behind the seat cushion.

**Optional with Piping**  
Available with optional piping on the arms, back and base.

**10 Year Warranty**  
We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
