tortoli

Recliner

Kwalu's Tortoli Recliner is a push-back model. The distinctive detail of the raised arm caps facilitates ease of ingress and egress for those with limited mobility. The footrest and back work in sync together, so it is not possible to independently control just the footrest.

Model: TRRE1
27W 31.5D 44H 22SW 20SD 20SH 26AH
66.25 Ext. Depth

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Easy to Grasp Handgrip

Extended arm creates easy to grasp handgrip.

Push on the Arm Mechanism

The recline mechanism is activated by a simple push back on the arms.

Extended Length

Fully reclines to a depth of 66.25 inches.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
