Redefining Clean Design®

trava

Bariatric Guest

Kwalu's Trava Bariatric Chair redefines comfort and style for every lounge or waiting area guest, designed with generous proportions. Reflecting the morphology and ergonomics specific to bariatric needs, this model incorporates Kwalu's Designed to Last® engineering and endures the most rigorous testing standards to provide supreme strength and safety for each user.

Model: TRAGB1

Features

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish
Kwalu's solid surface (1/2" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Weight Capacity
Trava Bariatric chairs are rated to 500 lbs weight capacity.

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

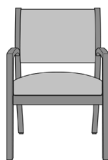

10 Year Warranty
We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

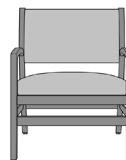

Easy to Clean
Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
