Redefining Clean Design®

trava

Dining

Kwalu's Trava is pure and simple seating. A chair without all of the fuss featuring clean lines, a spacious, comfortable seat and angled contemporary arms set against a full upholstered show frame back to provide aesthetic appeal and facilitate ingress and egress.

Model: TRAD0

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Optional Casters

Optional casters available on front legs only.

10 Year Warranty

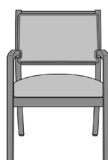

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

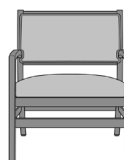

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
