## valdina

## Tall Back – Fixed

KWalu. Furnishing the Future™

The Valdina Tall Back – Fixed is thoughtfully designed, featuring clean lines, a spacious removable seat and an angled fully upholstered back. The chair back extends to the seat rail and the cleanout is incorporated behind the seat cushion providing a clean, functional look. The seam at the top of the back creates a faux pillow adding support to the neck and head. Wall saver back legs insure the walls remain in pristine condition. Optional center linking tables and corner linking tables with a leg support may be added to the Valdina Fixed chairs.

Model: VLDFIXP11 24W 27D 43H 20SW 19SD 19SH 26AH

Nightingale Award Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material.

Features

Durable Finish Kwalu's solid surface (1/3" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced Our patented steelreinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Visible Cleanout Cleanout is incorporated behind seat cushion to prevent buildup of debris while providing a clean look.

Seat Cushion is Field Replaceable The seat cushion can be replaced in the field.

Optional Closed Arm Panels Available with or without upholstered arm panels.

Brake Under Load Casters

The optional weightactivated casters allow for easy movement of the chair when a person is not sitting on the chair.
