Bariatric – 34W Tall Back

Kwalu's Valdina Bariatric chair redefines comfort and style for every lounge, lobby or waiting room guest. Built for maximum stability and strength, utilizing our steel reinforced joint system, this thoughtfully designed chair accommodates generous proportions and is available in two back heights. The chair back extends to the seat rail and the cleanout is incorporated behind the seat cushion providing a clean, functional look.

Model: VLDFIXB34P

Features

Nightingale Award

Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Wallsaver

Wallsaver back legs help keep walls in pristine condition.

Weight Capacity

Valdina bariatric chairs are rated to 500 lbs weight capacity.

Visible Cleanout

Cleanout is incorporated behind seat cushion to prevent buildup of debris while providing a clean look.

Seat Cushion is Field Replaceable

The seat cushion can be replaced in the field.

Optional Closed Arm Panels

Available with or without upholstered arm panels.
