valentia

Bariatric

Generously sized and built for maximum stability and strength with a solid steel inner frame, the Valentia Bariatric accommodates generous proportions. Designed to reflect morphology and ergonomics specific to bariatric needs, this model can be connected to Guest chairs and Center Linking Tables as part of lounge/waiting area seating.

Model: VLG112J0

Features

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Weight Capacity
Valentia Bariatric chairs are rated to 500 lbs weight capacity.

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced
Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

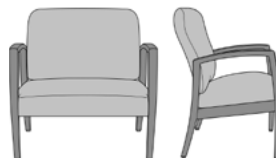

Visible Cleanout
Cleanout prevents buildup of debris and provides for easy maintenance.

Seat Cushion is Field Replaceable
The seat cushion can be replaced in the field.
