Redefining Clean Design®

valentia

Guest

Heralding style and comfort, the sleek Valentia features modern lines and curves with traditional support. Angled, contemporary arms provide aesthetic appeal and facilitate ingress and egress. The supreme quality of the cushioned seat and the reassurance of the ergonomically designed back create the ultimate place to relax.

Model: VLG111

Features

Nightingale Award

Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joints system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Visible Cleanout

Cleanout prevents buildup of debris and provides for easy maintenance.

Seat Cushion is Field Replaceable

The seat cushion can be replaced in the field.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
