valentia

Motion

The sleek Valentia Motion chair features modern lines and curves with traditional support. Angled, contemporary arms provide aesthetic appeal and easy ingress/egress. The supreme quality of the cushioned seat, the reassurance of the ergonomically designed back and the gentle rocking motion create the ultimate place to relax.

Model: VLR12UP

Features

Nightingale Award
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish
Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Motion Chair
Kwalu's exclusive rocking mechanism produces an ultimately satisfying movement.

Back Cushion and Seat Cushion are Field Replaceable
Both the back cushion and the seat cushion can be replaced in the field.

10 Year Warranty
We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

Easy to Clean
Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
