Potting Bench

Wheelchair Height

Experience the joy of gardening, standing or seated, inside or outdoors, with the Vivaio Potting Bench. There is also a wheelchair height option. Large on space and storage, the bench features shelving, aluminum hooks for tools and a secured gardening tray, but, like its work station, can be removed, if needed.

Model: VIVPOBW
50.25W 26.25D 52H

Features

Waterproof Outdoor UV Protected Frame
Special additive protects frame against the elements and damaging ultraviolet rays.

Wheelchair Clearance
Lowered height and removal of the bottom shelf allow wheelchair bound easy access.

Gardening Tray
A secure gardening tray, available in black only, can be removed if needed.

Sliding Shelf
A sliding shelf at the top of the gardening tray allows the user to keep supplies close.

Top Shelf
A top shelf with a railing will safely hold small pots and other lightweight planting supplies.

Hanging Hooks
Three aluminum hooks on the right side of the table for gardening tools.

Optional Casters
Optional swivel casters may be added to the left side of the table only.

Optional Floor Mounting
A set of 4 L-shaped brackets and 8 screws to secure the brackets to the product are provided. Screws to attach brackets to the floor are not included.
