Lounge

This is Kwalu's sleek Cento Lounge. The arms of the Cento create the curved floating back, supported by an internal metal frame. The unique spacing between the back, arms and seat make it easy to remove debris and keep the Cento in pristine condition. Optional piping or decorative nail head trim are available but not together.

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Back Cutout

Back Cutout prevents build-up of debris and provides for easy maintenance.

Optional Piping

Optional piping available on arms, back and around base only.

Optional Nail Head Trim

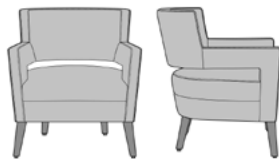

Optional decorative nail head trim only available if optional piping is not selected.

Optional Back Seam Detail

Optional with back seam detail.
